OLUWADIMIMU SAMUEL ELIJAH

OBJECTIVE

Results-driven Frontend Web Developer with a strong foundation in modern web technologies, seeking to leverage my skills in HTML, CSS, JavaScript, and React.js to create dynamic and user-friendly web applications. Passionate about delivering high-quality, responsive designs and contributing to innovative projects that enhance user experiences. Excited to collaborate with a forward-thinking team to solve real-world challenges and grow as a developer.

SKILLS & ABILITIES

Languages & Frameworks: HTML5, CSS3, JavaScript, React.js, Vue.js, Bootstrap, Tailwind CSS
Tools & Platforms: Git, GitHub, Webpack, npm, Figma, VS Code
Other Skills: Responsive Design, Cross-Browser Compatibility, SEO Optimization, RESTful APIs

EXPERIENCE

FRONTEND WEB DEVELOPER, TECHLABB

Remote and Intern [2022-Present]

- Built and maintained responsive web applications using React.js and Tailwind CSS.
- Optimized website performance, improving load time by 30% through code refactoring and asset optimization.
- Collaborated with backend developers to integrate RESTful APIs into frontend applications.
- Ensured cross-browser compatibility and mobile responsiveness for all projects.

EDUCATION

ADEKUNLE AJASIN UNIVERSITY, AKUNGBA, ONDO STATE, NIGERIA

BSC. COMPUTER SCIENCE

Expected Graduation: August 2026
